INDEX

- Short & Fat Food Station
- Short & Fat Mileage
- ★ Chequamegon 40 Food Station
- Chequamegon 40 Mileage
- Spectator Areas

PLEASE NOTE: This map is intended for general directional purpose only and not detailed enough to use for orienteering in the woods. Always take along a compass, detailed maps and plenty of fluids when riding in the deep woods. The courses are off-road and on a variety of unmaintained trails. Riding hazards exist and extreme caution should be exercised while riding in the woods.
